An Esteemed Pastor

Found Cure in Hood's After Other Medicines Failed

After the Grip—Muscular Rheumatism.

Rev. C. W. Clapham

The following comes voluntarily from a highly esteemed clergyman of the M. E. church, pastor of the Church Creek circuit in Dogchester County, Maryland:
"C. I. Hood Co., Lowell, Mass.:
"I feel it a duty to the public to send this certificate. I saw in a Philadelphia paper a letter from a man who had suffered from

Muscular Rheumatism
and had been restored by the use of Hood's Sarsaparilla. I had the grip in the winter of '91 and '92 so severely that it deprived me of the use of my arms so that my wife had to dress and undress me, and when away from home I had to sleep in my clothes. I tried five doctors and not one accomplished anything. Then I saw the letter alluded to and determined to try

HOOD'S Sarsaparilla CURES

Hood's. Before I had taken one bottle I had the use of my arms, thank God. These are facts and can be verified by many persons here. J. M. Colston, Church Creek, supplied me with Hood's. I am pastor of the M. E. church here."
C. W. CLAPHAM, Church Creek, Maryland.
N. B. If you decide to take Hood's Sarsaparilla do not be induced to buy any other instead.

for all purposes and admits them to the same rights of coinage."

On the other hand, we have in favor of the gold standard, the following from J. Sterling Morton, secretary of agriculture: "My own judgment is that we must sooner or later declare that the United States of America recognizes gold as the best and least fluctuating measure of value and medium of exchange which the commerce of civilization has thus far utilized."

With such a wide and uncompromising difference between the wise leaders of the party, what is the ordinary democrat who has not studied the question, or the science of finance and government, sufficiently to understand them thoroughly, to believe?

FIVE negroes, three men and two women, were lynched in Alabama, near Greenville, last Saturday, their alleged offense being the murder of a white man, whose body the murderers burned in a brush heap. This wholesale lynching is greatly to be deplored, as it only gives additional cause for denunciation of the South by Ida Wells and her adherents, and the whole South must bear the blame which justly attaches to the unwarrantable deed of a handful of hotheaded Alabamians.

THE national democratic platform adopted in 1892 declared in favor of the free coinage of silver and gold provided the parity of the two metals could be maintained. If it be possible for this country to adopt the free and unlimited coinage of silver at a ratio of 16 to 1, and still maintain the value of a silver dollar at 100 cents, then by all means let us have free coinage, for it does seem that there is far from sufficient gold to transact the business of the world. If free coinage will better present conditions, the sooner we have it, the better.

THE 59th anniversary of the battle of San Jacinto fell on last Sunday and was celebrated by some cities on the preceding Saturday, while by others it was commemorated Monday.
